

# Long Distance At Your Reach

Sprint offers options to fit your international calling needs to countries around the world. If you need the capability to place international calls, then you can simply add the capability by accessing your account on [sprint.com](http://sprint.com), signing in to your account and clicking "add services"; or you can contact customer service at 1-888-226-7212, and select option 1. If you call international locations frequently, select one of our International Calling plans to reduce your per minute cost. See charts.

## Frequent Calling:

- Choose the **Sprint International Long Distance Plan** to call other countries around the world at a lower per minute rate for only \$4.00/month. Rates as low as \$0.09/min to Mexico and Canada, \$0.06/min to the UK, \$0.07/min to France, Germany, Spain, Italy, Japan and South Korea, and \$0.29/min to India.
- Choose the **Mexico International Long Distance Plan** if you frequently place calls to Mexico. This \$5 plan offers FREE calls from the U.S. to the Mexico border cities of Ciudad Juarez, Tijuana, Mexicali, Rosarito, Tecate and Ensenada. Plus call any other city in Mexico from the U.S. for just 5¢ a minute.

When calling to wireless devices outside of the U.S., a mobile termination fee may apply. Check the enclosed list for rates with the Sprint International Long Distance Plan.

## Dialing Information:

- When placing a call from the U.S. to an international location other than countries in the North American Numbering Pattern (NANP), first dial the international access code 011, then dial the country code and number you need to reach.
- To place a call within the North American Numbering Pattern (NANP), simply dial 1, then the 10 digit number you need to reach. NANP countries include: Anguilla, Antigua, Bahamas, Barbados, Bermuda, British Virgin Islands, Canada, Cayman Islands, Dominica, Dominican Republic, Grenada, Jamaica, Montserrat, St. Kitts and Nevis, St. Lucia, St. Vincent and the Grenadines, Trinidad and Tobago, Turks and Caicos Islands, and U.S. Territories (Puerto Rico, U.S. Virgin Islands, and Guam).

\* International long distance rates are subject to change at any time without notice. Please check [sprint.com/international](http://sprint.com/international) for most current rate information. Rates effective as of January 11, 2009. Due to increased costs imposed by some overseas telephone companies, calls to international wireless phone numbers (including cellular and pager numbers) may incur a per minute mobile termination fee, which varies by country. Many countries assign a specific dialing code to wireless devices that identifies them as wireless. The mobile termination fee will be charged based on those digits dialed immediately after the country code. The mobile termination fee plus your international rate will be shown on your invoice as one combined per minute rate. The Sprint Surcharge includes a USF charge up to 10.2% (varies quarterly) for international calls. This information may change from time to time, be sure to check [sprint.com](http://sprint.com) periodically for the most current rate information and country codes. **International Long Distance:** Coverage not available everywhere. Advertised rates apply when calling from the Nationwide Sprint Network. Base service plan terms apply, including min. of use & applicable coverage. A per minute mobile surcharge may be imposed and will be included in your billed per minute rate. Plan activation may take approximately 1 to 3 days; add'l info may be required during verification process. See [sprint.com/international](http://sprint.com/international) for countries & details.
